*Summer Youth Camp • Retreats • Quality Programming  
Team Building • Climbing Wall • High Ropes Course*

## **ONE DAY PACKAGES ~ 2018 DETAILS**

### **Dates:**

We are available for retreats from March through mid-May and then again, from September through early November. We run our own summer camp program from late-May through mid-August, so we are not available for outside retreats during those months. Please contact us if you would like to discuss dates, keeping in mind that our fall retreat season (especially September) books quickly!

### **Explanation of Activities Available:**

#### **1 - Team Building**

- Team building is obstacles and challenges that teach life lessons, help the group bond together, reveal who leaders and followers are in the group, challenge the participants spiritually.
- The time frame that is most effective is typically 60-75 minutes.
- **Please network with MCC to determine times that will work for both parties.**
- We will lead small groups to facilitate team building activities. You can break them into groups ahead of time, or we can do it on the spot. Group size can range from 8-11 people, to be effective.
- MCC can generally accommodate four groups (of 8-11 per group) at one time, up to 44 total. If you think you'll have over 44 students or participants, we may need to schedule two separate team building time frames. Please speak to a Merriwood staff member about this when you set up the schedule for the day.

#### **2 – Climbing Wall**

- Our Climbing Wall is 48 feet tall and has six different climbs, different levels of difficulty. Ratings go from 5.4 to 5.10 on the Yosemite Decimal scale. We typically have 4 climbs and 4 belayers available at one time.
- Approx. 40-60 people can be accommodated in 2 hrs.  
The Climbing Wall is not available during inclement weather. Inclement weather would be rain, snow, thunder, lightning, extremely cold temperatures, or extremely wet grounds.
- Climbers should wear tennis shoes and casual shorts or pants. Clothing should be dry.
- Please network with MCC Staff to find a time that works well for you as well as MCC staff.

#### **3 – Blob and Water Obstacle Course (lakefront)**

- Our blob and water Splash Track are only available during a mid-May retreat or an August or September retreat.
- Not available in inclement weather (lightning, thunder, or temperatures that are too cold)
- MCC will provide one facilitator of the blob. MCC will require the lease group to provide two additional adult leaders to help facilitate the blob and water obstacle course. One should be prepared to be IN the water to ensure safety.

#### 4—Large Group Games

- If one of your goals for your day is just plain fun, this option may be for you! Or, if your group is so large that it would be difficult for Merriwood to facilitate team building for your group (or time is an issue with team building activities), consider allowing MCC to facilitate large group games.
- We have both outdoor and indoor options (which is great in the case of inclement weather).
- Timeframe is approximately 45 minutes.

### **Making Arrangements:**

If you wish to book an event with Merriwood, please contact Hannah Baucom at 336-766-5151 or 336-909-5741 (mobile) to find a date that works for both parties. If arrangements are made, we would send you a contract and facility-use agreement (so we can better prepare for your needs). A \$200.00 deposit is due with the contract in order to reserve a one-day event with us. The balance is due during your time here.

### **Numbers Attending - Capacity:**

Because our facility does not have separate meetings rooms, we only have one lease group in attendance at any time. This means that the group in attendance has the use of the complete grounds. For this reason, we ask for the groups to pay for a minimum of 30 people for day events. Some churches or groups will choose to join up with another group in order to reach the minimum.

### **Food Service:**

- Due to health department regulations, we are unable to have non-MCC staff use our kitchen area. For this reason, all meals are provided by MCC Staff. Our staff will set the menu. Our choices are usually very well received!
- We serve family style. This means that the food is on each table (tables for 8) in serving dishes, hot, at the time you schedule your meal. We recommend that you have every attendee present at start time, and not allow for people to come and go during the meal timeframe.

An example of menu items would be:

- Breakfast example: eggs, biscuits, sausage patties, hash browns, fruit, yogurt, granola bars, cereal, milk, coffee, juice.
- Lunch example: hamburgers, potato wedges, baked beans, pickle spears, fruit, dessert, kool aid, tea, water.
- Dinner example: spaghetti and meatballs, mozzarella sticks, marinara sauce, salad, breadsticks, corn, dessert, kool aid, tea, water.

At the end of the first meal, a MCC staff member will demonstrate the “clean up process”. It’s fairly simple but helps our team clean up quicker and allows us to keep staffing costs down (thus, keeping retreat costs down). It works well in our own summer camp programming as well.

For day groups, if you arrange to have your attendees bring a sack lunch, in lieu of Merriwood’s food service, that is fine as well. Drink machines are available in the gymnasium area.
