MEDICAL WAIVER: I hereby grant permission for _____, a minor, to attend Merriwood Christian Camp ("MCC"). I, _____, hereby affirm and agree that I am the parent or legal guardian of Minor; that I am legally competent to sign this agreement and release; that I have fully informed myself of this agreement by reading it before signing; and that I have fully informed myself of the details and risks of attending MCC prior to signing this release. I agree, individually and on behalf of Minor, to release and hold harmless Salem Baptist Church ("SBC"), MCC, its agents, officers, directors, employees and volunteers (collectively referred to as the "Church") from any and all liability as a result of any and all injuries, death, damages, or losses including personal property sustained by Minor while participating in MCC. I further agree to hold the Church harmless and to bear the cost of their legal defense if any suit of legal or equitable action is brought against any of them as a result of any and all injuries, death, damages, or losses including personal property suffered by Minor while at MCC; or any injury, death, damage or loss including personal property resulting from negligence or lack of care due to the conduct of the Church. In the event Minor is injured while at MCC and I am unable to provide consent to his or her medical treatment, I authorize the Church to consent on my behalf to the performance of any and all medical treatment judged necessary by the Church until I am able to provide consent or until someone legally able to speak on Minor's behalf is made available. I agree, individually and on behalf of Minor, to release, indemnify and hold the Church harmless from any liability sustained as a direct or indirect result of said medical treatment. I agree to pay or arrange for payment for all costs associated with said medical treatment. I understand that, if at all possible, parent(s) and/or guardian(s) will be notified of medical treatment beforehand. I affirm that the medical information on this form is both complete and correct.

VIDEO/PHOTOGRAPHY WAIVER: I agree that any pictures or video taken of my child while at camp may be used in any publications for the Church and/or its affiliates. I understand that publications may be accomplished electronically via the Internet and that after publication the Church will be unable to prevent persons from gaining access to the Internet, copying these photographs and/or video, and/or using, altering, or republishing without my consent. I waive any claim for damages against the Church for any copying, altering or republishing of these photos or videos with or without my consent.

EXCEPTIONAL NEEDS POLICY: We are not a special needs camp, nor are we able to staff specifically for special needs. Although we try to accommodate as many campers as possible, we also have to look at each unique situation and make a decision that is in the best interest of the individual, the other campers, and our staff's abilities. For children with exceptional emotional, medical, behavioral, psychological, exceptional physical needs and/or if they are not in a mainstreamed classroom, parents agree to call the camp office to discuss whether Merriwood is able to accommodate your camper before registering them for a camp week. Parents agree to disclose any and all information concerning the emotional, medical, behavioral, physical, and psychological needs of the child. Campers with special needs who have not completed MCC's screening process may not be allowed to attend camp. If campers have undisclosed information this could result in the camper being dismissed from the camp without refund should any issues arise. Exceptional needs include (but are not limited to) anxiety or panic attacks, depression, Diabetes, Autism Spectrum, life threatening allergies such as nut or bee stings, Sensory Processing Disorder, Oppositional Defiance Disorder, suicidal or homicidal, or criminal acts.

MOBILE DEVICE POLICY: Our desire is that campers focus on the program of the camp week while in our care. Cell phones are not permitted and may be cause for dismissal without refund. Here's why: First, it's important for campers to escape from their normal habits and dependence on electronics for this one week of summer. One of Merriwood's philosophies is "Bump your comfort zone." Being able to go one week without electronics goes along with our goals. Second, safety is of utmost importance to us. If a camper has a cell phone with them, we are unable to monitor who they are communicating with, what they are communicating back and forth, or what they are seeing or hearing (text, pictures, video). Many apps are designed to be secretive and untraceable later on. While they are in our care, we are responsible for their safety, and we take this role seriously. Third, cell phones increase homesickness in campers rather than alleviating it! We desire to see campers overcome their natural fears of being away from home and gain confidence in being able to do so. Our staff are trained in dealing with homesickness. We will contact parents if a camper is unable to participate in camp activities or is upsetting other campers due to being homesick. We ask that parents support our mobile device policy by explaining these things to their children. Parents who choose to send a cell phone (or electronic watch with communication capabilities) with their child disregard the authority of the camp and in turn, teach their children that they do not need to respect authority.

PAYMENTS/REFUNDS/TRANSFER POLICY: A deposit of \$50 is required to reserve your child's space in a camp week. All camp fees are due two months before your camp week begins. Deposits and camp fees may NOT be transferred to another camper or rolled over to another year. The \$50 deposit is not refundable under any circumstances. If the reservation is canceled more than two months prior to the camp week, all fees paid other than the \$50 deposit will be refunded. If the reservation is canceled less than two months, but more than one month before the camp week, 50% of the fees paid will be refunded, less the \$50 deposit. No refund will be given if the reservation is canceled less than one month prior to the camp week. Some exceptions may be made if there is a medical emergency or a death in the immediate family. (A doctor's note may be required before a refund is processed.) Deposits and final payments may not be transferred to another camper or rolled over to the next year. Transfers from one week to another are allowed as long as space is available (a \$15 Transfer Fee will be assessed). Camper cancellation insurance now available. See details in online registration portal.

I have read these policies, understand them, and agree to abide by them.
