About MCC

Merriwood Christian Camp is a summer youth camp, running programming for nearly 1,400 campers each summer. MCC hosts nine summer camp weeks, with weeks ranging from day camp for 1st-4th graders, up to Teen Week for rising 10th graders through graduating seniors.

MCC has been around since the late 1950's. While we work hard to remodel and keep up our facilities, our housing is rustic and best used for youth or college-age retreats. MCC is also best known for our staff hospitality and activities that our staff can facilitate for your group, while with us.

Motels

MCC has two motel units available for use. Motel 1 contains a queen-sized bed, a set of bunk beds, sink, stand up shower, and toilet. Motel 2 contains a full (double) bed and set of bunk beds. Guests should bring their own bedding, towels, and toiletry items. The rooms have paper towels, hand soap, and toilet paper.

Gymnasium and Chapel

MCC's gymnasium and chapel area are under one roof, and are just separated by columns. Guests may set up metal chairs how they like on the chapel side. There is a sound system for use including a computer, Pro-Presenter, mics, and guitar connections. (More specifics upon request). There is enough seating for roughly 250. The gymnasium side includes full court basketball, volleyball if requested (1/2 court), two carpetball tables, ping pong, and foos ball.

Cafeteria

MCC's cafeteria can serve around 225 guests at once. We serve family style, meaning all the food is hot on the table at the start time (no cafeteria line). Salad bar is also included with our lunch and supper meals. One side of the dining hall can set around 190 people. The other side has a fireplace and couch/lounge area. Coffee, hot cocoa/tea bar is available for our guests. We get compliments on our food!

Cabins

Our cabin capacity is 192 beds. We have 12 cabin rooms that have 12 bunk beds in each (6 sets of bunk beds). Each room connects to another room through a bathroom. Bathrooms have two showers and two toilet stalls. (Boys cabins also have a urinal.) The cabin room has sinks and mirrors. We have an additional 48 beds in overflow housing. (These 4 cabins do not have indoor plumbing, and use the bathhouse, right across the sidewalk.) Guests should bring their own sleeping bags or sheets/blankets, pillows, towels, and toiletry items. The rooms contain hand soap, paper towel dispensers, toilet paper, window AC units, and space heaters.
