RECAP FROM WEEK 2 OF REMOTE LEARNING CAMP

We are grateful for each student in our program and are having fun getting to know them and their personalities as they interact and bond with one another.

This is what we did last week, on the recreation side of things:

Mountain Man Monday—Students made outdoor cooking pies!

Crafty Tuesday—Students were able to make crafts (optional) or other games

Wii Wednesday—Students played Wii Sports

Tournament Thursday—Congratulations to Xander for winning the Tetherball Tournament that was on-going throughout the week!

Fun Friday—Students did climbing wall, went swimming in the pool, attended camp store, watched a movie, had a devotion, and did field games.
