

REMOTE LEARNING CAMP at MERRIWOOD

RECAP FROM WEEK 9 OF REMOTE LEARNING CAMP

Outside of academic time this past week: Students made Shrink-a-dink crafts, climbed the 48' wall (including the "KC bucket challenge" as well as traverse wall challenge), played the 9-hole disc golf course, made leathercraft, played dodgeball, went fishing, played 9 square in the air, and earned lots of Brownie pts.

Tournaments: Jaz won the Basketball Tournament and Sling-shot Tournament this week. Xander won the 9 Square in the Air Tournament. Congratulations!

Flex Friday: Students watched MegaMind and played games. Students also heard a devotional about all the things God created. Psalm 19:1 says, "The heavens declare the glory of God. The skies display His craftsmanship." Our prayer is that we recognize His great power and give Him glory for all His creation.

- Please bring a white shirt or two that your child can tie-dye this week, starting Monday. (MCC might have some old shirts available, but sizes are limited.)*
- Lunch Thursday: The Shinsky family will be providing a pizza lunch for the students in celebration of end of 1st quarter! Students do not need to bring a lunch that day, unless they prefer to. Thank you so much Shinskys!*
