

Outdoor Spaces

Outdoor spaces and “free time activities” include three campfire areas (picnic area with fire pit, amphitheater with fire pit, and fire pit across the lake), tetherball, 9 Square in the Air, Ga-Ga, soccer arena, kickball/softball field, 9-hole disc golf, soccer field area (not regulation), playgrounds lake (including canoes, paddle boats, fishing pier, and blob & jump tower or pool (in season), prayer walk trails, sand volleyball court, Bottle Bash, Can Jam, Spike Ball, and Corn Hole.

MCC Staff-Facilitated Activities

Groups who are coming for an overnight event receive two activities (facilitated by MCC Staff) included in the cost of their retreat (not required). The choices are team building activities, climbing wall, large group games, ax throwing, sling shots, archery, and blob/jump tower or pool (in season). Day event groups may choose packages which also include activities facilitated by MCC staff and/or meals. Complete details can be found on our website or requested by email.

About MCC

Merriwood Christian Camp is a summer youth camp, providing programming for over 1,670 campers each summer. MCC hosts ten summer camp weeks, with weeks ranging from day camp for 1st-4th graders, up to Teen Week for rising 11th graders through graduating seniors.

MCC has been around since the late 1950's. While we work hard to remodel and keep up our facilities, our housing is rustic and best used for youth or college-age retreats. MCC is also best known for our staff hospitality and activities that our staff can facilitate for your group, while with us.

Motels

MCC has a few motel units available for use. Motel 1 contains a queen-sized bed, a set of bunk beds, sink, stand up shower, bathroom and mini-fridge. Motel 2 contains a full (double) bed and set of bunk beds. Guests should bring their own bedding, towels, and toiletry items. The rooms have paper towels, hand soap, and toilet paper. Additional motels with 6 bunk beds (3 sets) available upon request.

Gymnasium and Chapel

MCC's gymnasium and chapel area are under one roof, and are just separated by columns.

Guests may set up metal chairs

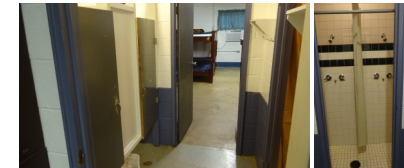

how they like on the chapel side. There is a sound system for use including a computer, Pro-Presenter, mics, and guitar connections. (More specifics upon request). There is enough seating for roughly 250. The gymnasium side includes full court basketball, volleyball if requested (1/2 court), two carpet-ball tables, ping pong, and foos ball.

Cafeteria

MCC's cafeteria can serve around 225 guests at once. We serve family style, meaning all the food is hot on the table at the start time (no cafeteria line). Salad bar is also included with our lunch and supper meals. One side of the dining hall can set around 190 people. The other side has a fireplace and couch/lounge area. Coffee, hot cocoa/tea bar is available for our guests. We get compliments on our food!

Cabins

Our cabin capacity is 192 beds. We have 12 cabin rooms that have 12 bunk beds in each (6 sets of bunk beds). Each room connects to another room through a bathroom. Bathrooms have two showers and two toilet stalls. The cabin room has sinks and mirrors. We have an additional 48 beds near the pool. (These 4 cabins use the bathhouse for restrooms, right across the sidewalk.) Guests should bring their own sleeping bags or sheets/blankets, pillows, towels, and toiletry items. The rooms/bathrooms contain hand soap, paper towel dispensers, toilet paper, window AC units, and space heaters.
